For the first time since the teams ever played in a high school series together Business defeated Eastern yesterday afternoon by 18 to 0. Only once during the Kendall Green Eleven Rolls Up 40 whole contest was the Stenographers' goal in danger, when just before the conclusion of the first half, Parker, by two pretty runs through tackle on a delayed pass, carried the ball to the opponents' 10-yard line. Put Up Plucky Fight.

Eastern, although beaten soundly by the Stenographers, nevertheless played a plucky game, and the shift of the back field proved to be a good one, as these men were elusive and made good gains on the desperate attempt for a touchdown.

The indian quarter back immediately set the ball rolling with line smashes until Hower was sent around the right end for the first touchdown.

In the first half Hower caught a punt and shot through the broken Central field 60 yards for his second touchon the desperate attempt for a touchdown down. at the close of the first period. This is one of the biggest surprises at Georgetown since Washington City League Series Will to expect for \$15. these two rivals have met on the gridiron, for it shows conclusively that Virginia is willing to back their team to the limit, notwithstanding the fact that the Blue and Gray warriors made such a grand showing against Fordham when they held the crack New York eleven
